This department was created in 1987 to highlight the long and proud history of the Saanich Fair which dates back to 1868. Just think of all the changes in technology, clothing styles and transportation that have taken place over this time. The entries in this section will bring back fond memories for older folks and may provoke amazement from younger generations. This competition is intended for individual entries. Displays from appropriate heritage organizations are encouraged but will not be judged.

1. Please attach to your **entry form** a brief description of the item and its approximate dimensions. This is to aid the convenors in organizing space for the entries
2. Entries will be judged on the basis of rarity, condition, write-up and age. **All items must have originated before 1970.**
3. Each entry must include a legible description of the item, its date,

and if possible its significance for the exhibitor.

4. All entries will be handled and displayed with care. Exhibitors may assist the convenors in setting up their exhibits. **However the Fair cannot accept responsibility for loss or damage.**
5. Any questions regarding entries, please contact the convenor.
