

Llamas & Alpacas

DEPARTMENT 1E

Convenor: Tracy Brennan, 250-893-5515

Do you know the difference between an alpaca and a llama?

Come visit us in the Agriplex and find out!

Learn a little about the benefits of being a camelid farmer. Visit our displays and see what our local Vancouver Island farms are producing from this soft, luxurious fibre!

Stay to watch these inquisitive, quiet and lovable animals amaze you as they navigate obstacles and show-off their intelligence.

You will understand why we are so passionate about our llamas and alpacas!
