# *From Our President*

On behalf of the North and South Saanich Agricultural Society, I would like to welcome you to the 154th edition of the Saanich Fair.

With strong support from our Fair community, we made the best of 2020 and 2021 but we are looking forward to welcoming you back through the gates so that you can take in the sights and sounds of the Saanich Fair in its entirety. We are excited to be acquainted with old friends, build new friendships and new memories because that's what the Saanich Fair is all about; community and the annual celebration of summer's end at the Heart of the Community – the Saanich Fairground.

Located in the Saanich Peninsula, our beautiful fairground will once again be the backdrop for visitors and area residents alike to take part in the latest edition of a Fair that dates back to 1868 when the forefathers of our agricultural community set out to celebrate the bountiful harvest. Our continued success through the years is owed to our amazing volunteers, community partners exhibitors and fair goes that come to experience the hospitality and history that makes the Saanich Fair a beloved annual event.

Get involved in the Saanich Fair as a volunteer or enter one of the many competition categories offered in this year's catalogue. Our 2022 theme "Plant your Roots at the Fair" is a celebration of vegetables of every kind. Try your hand at sowing, growing, processing, drawing and more – the opportunities to enter are endless!

Welcome Back to the Saanich Fair!

Catriona McHattie, President

North and South Saanich Agricultural Society
